

**MOTION**  
**For The Ocean Treaty Troll Fishery**  
**Thursday, April 6, 2006**

Mr. Chairman,

For the 2006 salmon fishery in the area from the U.S./Canada border to Cape Falcon, Oregon, I move the following management structure be adopted by the Council for the Treaty Indian ocean troll fisheries:

The Treaty Indian ocean troll fishery would have a quota of 42,200 chinook and 37,500 coho.

The overall chinook quota would be divided into a 22,700-chinook sub-quota for the May 1 through June 30 chinook only fishery and a 19,500-chinook sub-quota for the all species fishery in the time period of July 1 through September 15.

If the chinook quota for the May-June fishery were not fully utilized, the remaining fish would not be rolled over into the all species fishery. The Treaty troll fishery would close upon the projected attainment of either of the chinook or coho quota. Other applicable regulations are shown in Table 3 of STT Report.
