

Motion by Curt Melcher

I move that we modify the amendment language shown on page 91 of Agenda Item I.3.a Attachment 1 with the following edits to numbered paragraph 3 under section 3.2.2.2:

Replace [Insert Preferred Alternative here] with [10%]

Replace [Preferred Alternative] with [10%]

Replace "is less than 35,000." With "is between 22,000 and 35,000"

Replace [Preferred Alternative] with [10%]

Insert the following sentence at the end of numbered paragraph 3

"If the projected natural escapement associated with a 10% age-4 ocean impact rate is less than 22,000, the Council shall further reduce the allowable age-4 ocean impact rate to reflect the status of the stock."
