

COUNCIL RECOMMENDATIONS FOR 2009 MANAGEMENT OPTION ANALYSIS

The Salmon Technical Team (STT) will present the Council with coordinated coastwide management options which embody, to the extent possible, the management elements identified by the Council under Agenda Item D.3 on Monday, March 9, 2009. At this time, the Council may need to clarify STT questions and should assure the options presented are those for which the Council desires full STT analysis and consideration for final adoption on Thursday.

Council Task:

- 1. Clarify STT questions.**
- 2. Confirm management options for STT analysis.**
