

Regulations for commercial salmon fishing from Cape Falcon, Oregon to Humbug Mountain, Oregon (Newport/Tillamook and Coos Bay subareas) have been adjusted by inseason action. Effective 11:59 pm Monday August 20, 2007 the non selective coho fishery will be closed. If sufficient quota remains this fishery may be reopened, please check this hotline for updates. All other restrictions and regulations remain in effect as announced for the 2007 ocean salmon fisheries and by previous inseason actions.
