Agenda Item E.9 Council Action:

1. Determine yield set-asides of whiting to accommodate 2015 research activities and incidental catch in the pink shrimp fishery.

2. Consider any other necessary action for implementation of the 2015 Pacific whiting fishery.

(Myer/Culver)

I move the Council establish 1,500 metric tons as the 2015 set-aside to accommodate research needs and incidental catch.

Motion carried unan.
