(Yaremko/Crabbe)

Tentatively adopt for STT collation and analysis the salmon management measures for the 2016 commercial and recreational ocean fisheries in the area from the Oregon/California border to the U.S./Mexico border as presented in Agenda Item E.3.a, Supplemental STT Report, including the commercial and recreational requirements, definitions, restrictions, or exceptions.

With the following changes:

### **Commercial Fishery – Pages 2 and 3**

Replace August 1-29 with August 3-27

Point Arena to Pigeon Point (San Francisco)

Replace May 7-31 with May 6-31

Replace August 1-29 with August 3-28

**(Wolford/Crabbe - Amendment)**

I would move to amend the motion to create a single alternative for analysis that builds on the direction put forth regarding the commercial season, by adding that the recreational season in the area from Pigeon Point to Point Sur (Monterey North) be changed from April 2 through July 15, to April 2 through July 24. (per Supplemental SAS Report E.3.a dated April 2016)
