(Culver/Anderson)

I move the Council approve the following measures as preliminary preferred alternatives for further analysis for the June meeting:

1. Washington recreational management measures as described in Agenda Item F.6.b, Supplemental WDFW Report;
2. For widow rockfish, the amounts consistent with Amendment 21 to be specified as allocations for each of the at-sea sectors for 2017 and 2018;
3. For darkblotched rockfish and Pacific Ocean Perch (POP), the following amounts (as a main priority) to be specified as annual set asides (which is preferred, if possible) or allocations for each of the at-sea sectors for 2017 and 2018:

	Darkblotched	POP
Catcher Processor	25	20
Mothership	20	15

and, strongly urge the National Marine Fisheries Service to explore any and every possible mechanism to make the adjustments proposed above happen to the maximum extent possible; and

4. The removal of the trawl rockfish conservation area (RCA) north of Cape Alava, Washington (48°10' N. latitude) and extend the shoreward and seaward RCA boundaries north of 40°10' N. latitude to the U.S./Canada border.

Amendment (Anderson/Lincoln) move to amend the motion seaward RCA boundary from 45° 46 to the US/Canada border be established at 150 fm.
