

Agenda Item F.7 Council Action:

Adopt a Final Preferred Alternative in Consideration of Specifying Set-Asides of Darkblotched Rockfish and Pacific Ocean Perch for At-Sea Sectors.

(Culver/Sommer)

Adopt as its FPA, alternative 1 as described in Agenda Item F.7.a, WDFW Report.

Amendment (Anderson/Feldner)

I move that for the 2017-18 groundfish fishery that the CP and MS sectors for pacific whiting fishery be expected to manage their respective sectors to the set aside amts of POP (12.7 CP 9.0 MS) and darkblotched rockfish (16.4 CP 11.7 MS) and further that the accumulative total for the two sectors of POP would not exceed 46.7 mt and for darkblotched RF not exceed 78.1

**mt 2017, 78.5 mt 2018. This Amendment
withdrawn (seconder agreed).**

DRAFT-NOT FOR ADMINISTRATIVE PURPOSES

(Anderson/Feldner) Amendment to the main motion:

I move that for the 2017-18 groundfish fishery that the CP and MS sectors for the pacific whiting fishery be expected to manage their respective sectors to the set aside amts of POP (12.7 CP, 9.0 MS) and darkblotched rockfish (16.4 CP, 11.7 MS). In the event the species-specific set aside amounts plus the buffer amounts are anticipated to be exceeded inseason, NMFS has the authority to automatically close the at-sea whiting fishery. Amendment carried unan.

Main motion as amended carried. Mr. Lockhart abstained.
