

## FUTURE COUNCIL MEETING AGENDA AND WORKLOAD PLANNING

This agenda item is intended to refine general planning for future Council meetings, especially in regard to finalizing the proposed agendas for the March and April 2015 Council Meetings. The following primary attachments are intended to help the Council in this process:

1. An abbreviated display of potential agenda items for the next full year (Attachment 1).
2. A preliminary proposed March 2015 Council meeting agenda (Attachment 2).
3. A preliminary proposed April 2015 Council meeting agenda (Attachment 3).

In order to facilitate schedule planning and to stabilize expectations for the March and April meetings, draft proposed March and April agendas are presented together at this meeting. While changes to the April meeting agenda will be possible at the conclusion of the March meeting, there are many advantages to reaching an advanced state of expectation at this time. The March and April agendas as displayed in Attachments 2 and 3 are both five days of Council session.

The Executive Director will assist the Council in reviewing the proposed agenda materials and discuss any other matters relevant to Council meeting agendas and workload. After considering supplemental material provided at the Council meeting, and any reports and comments from advisory bodies and public, the Council will consider further future agenda development and workload priorities for Council staff and advisory bodies.
