### MEMORANDUM

DATE: March 27, 2013

TO: Ecosystem Advisory Subpanel, Ecosystem Plan Development Team and Interested Persons

FROM: Mike Burner, Staff Officer

SUBJECT: April Council Meeting

In conjunction with the April Council meeting, the Ecosystem Advisory Subpanel (EAS), will meet on Sunday, April 7 and Monday, April 8. The meetings will be held in the Mt. St. Helens B Room of the Sheraton Portland Airport Hotel, Portland, Oregon. The Ecosystem Plan Development Team (EPDT) is not meeting in April.

The primary focus of the EAS in April will be final action on the Pacific Coast Fishery Ecosystem Plan for the U.S. Portion of the California Current Large Marine Ecosystem. Per Council guidance, the EPDT has compiled a revised public review draft of the Fishery Ecosystem Plan (FEP), including an Ecosystem Initiatives Appendix. Both of these public review drafts, as well as a recorded reader's guide to the FEP webinar, were posted to the Council's Ecosystem-Based Management web page in February 2013. These documents are not included on paper in your materials, but are included electronically on the April 2013 Briefing Book CD. Paper copies can be provided upon request.

Please take some time and review your briefing materials thoroughly before the meeting. If you have any questions, feel free to contact me. Thank you.
