

OMNIBUS REGULATION CHANGES PART II

Under Agenda Item F.3 the Council is slated to have developed an initial list of candidate management measures. During the Council meeting week other management measures candidates may have arisen, particularly under the Fixed Gear Sablefish Catch Share Program Review (Agenda Item F.6). Under this agenda item, the Council is slated to add to the list any additional candidates that may have arisen during the week and finalize the list of candidates. Additionally, the Council may wish to provide guidance with respect to those items on which it would like the most background information provided at the September Council meeting.

Council Task:

1. Finalize list of management measure candidates including those that may have arisen during the week.
2. Provide guidance of level of background detail desired for the September prioritization package.
