

SALMON ADVISORY SUBPANEL REPORT ON FINAL INCIDENTAL LANDING
RESTRICTIONS FOR 2014-2015 SALMON TROLL FISHERY

The Salmon Advisory Subpanel (SAS) recommends the following alternative for final adoption:

- Alternative II: May 1, 2014 through December 31, 2014 and April 1-30, 2015, license holders may land no more than one Pacific halibut per each four Chinook, except one Pacific halibut may be landed without meeting the ratio requirement, and no more than 12 halibut landed per trip.

Incidental Pacific halibut catch regulations in the commercial salmon troll fishery may be modified by inseason action.

Additionally, to improve the accounting of landings, the SAS recommends that both pounds and numbers of Pacific halibut be reported on State fish tickets.
