

COASTAL PELAGIC SPECIES ADVISORY SUBPANEL COMMENTS ON
LIMITED ENTRY PROGRAM

After hearing an update from the National Marine Fisheries Service and a lengthy discussion regarding the limited entry program currently in place as a result of Amendment 8, the Coastal Pelagic Species Advisory Subpanel (CPSAS) has two recommendations for the Council:

1. A majority of the CPSAS urges the Council to amend the provisions of the limited entry plan to allow for the free transferability of permits.
2. The CPSAS urges the Council to consider amending the appeals process to include hardship provisions.
