

I Just wanted to let **PFMO** you
know that we will be giving
away our fish. we will be
in Olympia and in Salem
at the capital buildings on
Monday the 10th of sept
we are losing our jobs!
cheap imports are putting us
out of business. we need
tariffs started now!
we cant fish for nothing anymo
come to Salem or Olympia.
lets solve the problem. befor its
to late!
