Exhibit D.2.b  
Tribal Comments  
October 2002

Mr. Chairman,

I will be referencing pages 21 and 22 of the September 2002 Draft of the HMS FMP. The tribes support the preferred option, Alternative 2, regarding Treaty Indian fisheries listed under Chapter 8 of the proposed HMS FMP. Under Alternative 2, treaty fishing rights would be accommodated in the implementing regulations with the measures and procedures outlined in Alternative 3.
