

COUNCIL DIRECTION FOR 2003 MANAGEMENT OPTIONS

Situation: If necessary, the Salmon Technical Team (STT) will request clarification or direction regarding the management elements identified by the Council under agenda item B.5 on Tuesday and/or B.9 on Wednesday. The Council should assure the options presented are those for which the Council desires full STT analysis and consideration for final adoption on Friday.

Council Task:

1. Clarify STT questions.
2. Additional direction on management option development and STT analysis, as necessary.

Reference Materials: None.

Agenda Order:

- a. Agendum Overview
- b. Report of the STT
- c. Reports and Comments of Advisory Bodies
- d. Public Comment
- e. Council Guidance and Direction
