2002 Joint Operations and Training with NOAA Fisheries and State Officers

Surveillance Flights	11
Surface Patrols	5
Boardings	8
Documented Violations	10
Enforcement Training Sessions	5

- D13 shares surface and air patrol schedules with NOAA Fisheries and the States to maximize patrol effectiveness.
- February 2003 night surveillance flight with NOAA Fisheries resulted in first documented RCA incursion.

Future Enforcement Efforts

- Increasingly complex fishery regulations
- Resource Constraints
- Emphasis on Joint Efforts
