

HABITAT COMMITTEE COMMENTS ON  
FEDERAL WATERS PORTION OF THE CHANNEL ISLANDS NATIONAL MARINE  
SANCTUARY SCHEDULE UPDATE

Mr. Chris Mobley, superintendent of the Channel Islands National Marine Sanctuary (CINMS), spoke to the Habitat Committee (HC) about the schedule for developing the environmental document for creating marine reserves in the federal waters portion of CINMS. The HC recommends that the CINMS Marine Reserves Subcommittee convene to review this document prior to the September Council meeting. The HC will also discuss the document in more detail at the September meeting. If the Council chooses to convene the CINMS Marine Reserves Subcommittee, HC members will coordinate input with Dr. Robert Lea, the HC representative to the subcommittee, via email.
