To Highly Migratory Species
Management Team ^{PFMC}

I just received a letter from you regarding the meetings in San Diego June 1-2. I will not be able to attend.

In the letter it talks about a means to consider restructuring the DGN fishery in concert with the high seas longline fishery.

I am a DGN. I have spoken to lots of DGNeters.

I only know of 2 that have any desire to longline.

The majority of us certainly have no desire to fish outside 200 miles

I want you to know the majority of DGNeters don't want

To longline or fish
OUTSIDE 200 miles
