

HIGHLY MIGRATORY SPECIES ADVISORY SUBPANEL REPORT ON  
DRIFT GILLNET MANAGEMENT

The proposed alternatives for drift gillnet management were presented to the Highly Migratory Species Advisory Subpanel (HMSAS) by Ms. Elizabeth Petras. As a result of their discussions, the HMSAS recommends the full list of alternatives contained in Agenda Item J.3.b, HMSMT Report, as well as the Drift Gillnet exempted fishing permit (EFP) presented in Agenda Item J.3.a, Attachment 2, be adopted for public review.
