

## SALMON HEARINGS OFFICERS

Agenda Item G.7.a, Attachment 1 provides a schedule of public hearings for the Council management options. Three hearings are scheduled as follows: March 26 in Westport, Washington and Coos Bay, Oregon; and March 27 in Santa Rosa, California. The public will also be able to provide their comments and recommendations on the options in Seattle, Washington, during the April Council meeting.

The California Department of Fish and Game, the Oregon Department of Fish and Wildlife, and the Washington Department of Fish and Wildlife also may announce additional state-sponsored hearings.

### **Council Action:**

**Confirm hearings officers and other official hearings attendees.**
