

FINAL CONSIDERATION OF INSEASON ADJUSTMENTS
(IF NECESSARY)

Consideration of inseason adjustments to ongoing groundfish fisheries may be a two-step process at this meeting. The Council will meet on Wednesday, April 4, 2007, and consider advisory body and public advice on inseason adjustments under Agenda Item E.2. If the Council elects to make final inseason adjustments under Agenda Item E.2, then this agenda item may be cancelled or the Council may wish to clarify and/or confirm these decisions. If the Council tasked advisory bodies with further analysis under Agenda Item E.2, the Council task under this agenda item is to consider advisory body advice and public comment on the status of ongoing 2007 groundfish fisheries and recommended inseason adjustments for 2007 groundfish fisheries prior to adopting final changes as necessary.

Council Action: Consider information on the status of ongoing fisheries and adopt inseason adjustments as necessary.
