

CURRENT HABITAT ISSUES

The Habitat Committee (HC) will meet on Monday, April 2, 2007, to discuss the Klamath overfishing review, the reauthorized Magnuson-Stevens Act, ecosystem management planning, and other issues. The HC will also meet with the Enforcement Consultants to discuss the implications of invasive zebra and Quagga mussels.

Council Action:

Consider comments and recommendations developed by the HC at its April 2007 meeting.
