

SCIENTIFIC AND STATISTICAL COMMITTEE REPORT ON MAGNUSON-STEVENSON
ACT REAUTHORIZATION IMPLEMENTATION

The Scientific and Statistical Committee (SSC) noted that the “Pacific Whiting Act of 2006” (Agenda Item B.5.a, Attachment 4, Section 604) calls for the appointment of two U.S.A. scientific experts to the whiting “Scientific Review Group.” The SSC has considerable experience with whiting assessment and management issues. The Council may wish to nominate a member of its SSC to serve as one of the U.S.A. members of the Scientific Review Group.
