

COASTAL PELAGIC SPECIES MANAGEMENT TEAM REPORT ON THE STOCK
ASSESSMENT REVIEW (STAR) PANEL TERMS OF REFERENCE FOR 2009

The Coastal Pelagic Species Management Team (CPSMT) briefly reviewed the draft *Terms of Reference for a Coastal Pelagic Species Stock Assessment Review Process* (Agenda Item C.1.b, Attachment 1) at its February 10-11, 2009 meeting in La Jolla, California and recommends the Council adopt the document as final.

The Oregon Department of Fish and Wildlife member of the CPSMT was selected to represent the CPSMT at the proposed May 2009 Stock Assessment Review Panel.
