

**MOTION**  
**For The Ocean Treaty Troll Fishery**  
**Wednesday, April 8, 2009**

For the 2009 salmon fishery in the area from the U.S./Canada border to Cape Falcon, Oregon, I move the following management structure be adopted by the Council for the Treaty Indian ocean salmon troll fisheries:

The Treaty Indian ocean troll fishery would have a quota of:

- ❖ 39,000 Chinook and
- ❖ 60,000 coho.

The overall chinook quota would be divided into a 19,000-Chinook sub-quota for the May 1 through June 30 chinook only fishery and a 20,000-Chinook sub-quota for the all species fishery in the time period of July 1 through September 15.

The Treaty troll fishery would close upon the projected attainment of either of the Chinook or coho quota. Other applicable regulations are shown in Table 3 of STT Report Preliminary Analysis of Tentative 2009 Ocean Salmon Fishery Management Measures (April 8, 2009) – Agenda Item H.7.b.
