The City of Portland Transient Lodgings Tax government exemption only applies to employees of the federal government travelling on official federal government business. A guest claiming to qualify for the government exemption will need to provide the following upon check-in:

- The City of Portland 's Government Exemption Certificate - Completed, signed, & dated

Plus one of the following:

Travel orders provide proof that the guest is travelling on official federal business
2. Letter from Federal employer on official Federal Agency letterhead & Government ID
The letter provides proof that the guest is travelling on official federal business
3. Business card with Federal logo & Government ID
In the event that the guest does not have either travel orders or an official letter, a copy of a Federal agency business card may be accepted and stapled to the Exemption form. You must also verify that the name on the business card matches the government ID presented by the guest. The business card provides contact information necessary to confirm that the guest is travelling on official federal business.
4. US State Dept ID card (with Blue Stripe)
The blue stripe verifies government exemption status for sales tax AND hotel tax.
Also, some foreign diplomats have State Dept. issued ID card with a Yellow Stripe. The yellow stripe denotes certain exemption restrictions. If this stripe indicates that Hotel taxes are exempt, then it is valid.
