

CURRENT HABITAT ISSUES

The Habitat Committee (HC) will meet on Friday, November 13, 2015 to discuss aquaculture projects in Humboldt Bay, prioritization of habitat issues in HC deliberations, California drought legislation, and other issues.

The HC plans to prepare a draft letter on the Coast Seafoods Draft Environmental Impact Report (Agenda Item E.1, Supplemental Attachment 1) if the DEIR is submitted in time for the draft to be written. If the DEIR is not submitted in time, the HC will submit a general comment letter for Council review.

In addition, the Council approved a letter to the Oregon Board of Forestry on riparian buffer rules. The letter is attached (Agenda Item E.1, Attachment 2).

Council Action:

Consider comments and recommendations developed by the HC.
