# Overview of Calendar

	Catch Share Review	Intersector Allocation Review
June 2016	Initiation of Scoping and Development of Documents	
September 2016	Council Guidance & Public Hearings	
November 2016	Council Adopts Blueprint for the Analysis	
2017 - Spring 2018	Catch Share Review Continues to Completion	

# Overview of Calendar

	Catch Share Review	Intersector Allocation Review
June 2016	Initiation of Scoping and Development of Documents	Initiat. Scoping & Development of Documents
September 2016	Council Guidance & Public Hearings	Council Guidance & Public Hearings
November 2016	Council Adopts Blueprint for the Analysis	Council Guidance
2017 - Spring 2018	Catch Share Review Continues to Completion	

# Overview of Calendar

	Catch Share Review	Intersector Allocation Review
June 2016	Initiation of Scoping and Development of Documents	Initiat. Scoping & Development of Documents
September 2016	Council Guidance & Public Hearings	Council Guidance & Public Hearings
November 2016	Council Adopts Blueprint for the Analysis	Council Guidance
 2017 - Spring 2018	Catch Share Review Continues to Completion	Continuation Depends on Priorities & Ident of Additional Resources

# Hearings (1)

Listening for experiences:

How you have been impacted by the trawl catch share program?

Start in August or after September Council Meeting?

What should the review focus on?

# Hearings (2)

1. Bellingham

2. Westport

3. Astoria

4. Newport

5. Port Orford

6. Eureka

7. Fort Bragg

8. Half Moon Bay

9. Morro Bay

# Organization of Analytical Effort

Whether to have a formal analytical team

Charge for a team

Review of the review

Seats for a team

Expertise available

# Analytical Team?

- Whether to
  - Model 1: have agency personnel and Council staff work together vetting work products through existing Council advisory bodies at Council meetings, OR
  - Model 2: have a formal analytical team and meetings outside of Council meeting?

Steps/tasks for the process outlined on page 6

# Analytical Team - Strawman Charge

- Strawman Charge - p. 5
  - Help elaborate initial outlines and drafting plans
  - Review the initial analytical submissions from contributors
  - Highlight policy issues for Council consideration

# Possible Analytical Team Membership

- Four subject matter leads identified by agencies (primarily NMFS)
- Representatives from each coastal state (budgeted)
- Enforcement (not budgeted - Federal?)

Two two-day meetings per year

# Analytical Expertise

Analysis Relying Largely on NMFS Personnel  
with  
Assistance from Council Staff

See page 7 for list of contributors

State contributions to be determined

**Contract money will be used for  
augmentation**

# Review of the Review

- SSC Economic and Groundfish Subcommittees scheduled to meet
  - Prior to final Council guidance for drafting (Nov 2016)
  - Prior to finalization of public review draft (Nov 2017)

# Community Advisory Board

A-20, Section A-2.3.4:

“A community advisory committee will take part in the review of IFQ program performance.”

As described in the analysis, the rationale for this provision was:

“to ensure full consideration of community concerns” (page A-391)

# Community Advisory Board

- Strawman charge

providing the perspective of geographic communities on performance of the trawl catch share program and other advice requested by the Council that may inform the program review. . . . These perspectives may include . . . . (page 8)

- Seats - maximum of 20  
Geographic and sector diversity (page 9 matrix)

# Community Advisory Board – Seat Matrix

Community	IFQ Trawl Participant	IFQ Gear Switched	At-Sea Sector Participant	Non-Trawl Catch Shares Participant	Buyer/Processor	Service Provider (e.g. Observers)	Local Governmentalities, Districts, Boards, Quota Funds etc.	Consumer/Retailer	Other (e.g. crew, NGO, Tribal ???)
WA – Inside Marine									
WA – Coast									
OR - North Coast									
OR - South Coast									
CA - Fort Bragg North									
CA - Central									
CA – S. of 36°
