

GROUND FISH ADVISORY SUBPANEL REPORT ON CATCH SHARING PLAN  
AND ANNUAL 2017 REGULATION CHANGES

The Groundfish Advisory Subpanel (GAP) received presentations from Ms. Kelly Ames, Pacific Fishery Management Council; Ms. Heather Reed, Washington Department of Fish and Wildlife; Ms. Lynn Mattes, Oregon Department of Fish and Wildlife; and Ms. Marci Yaremko, California Department of Fish and Wildlife, on the halibut catch sharing plan.

The GAP agrees with the proposed range of options set forth in both the [ODFW report](#) and [supplemental WDFW report](#) under this agenda item. We anticipate making further recommendations in November.
