Omitted Options in Analytical Doc

Some options were removed from action - being proposed under the midwater whiting and fixed gear rule

- routine management measure for **adjustments to the discard species list**,
- **standards and minimum requirements** for vessels and EM service providers to **participate** in the EM program, including eligibility criteria, equipment standards, application requirements, reporting and recordkeeping requirements,
- and a **permitting process** for EM service providers to apply to and be approved to provide EM services to the fishery

Council Action

1. Review EFP Results
2. Confirm or Revise Adopted Council Final Preferred Alternatives for Non-whiting Midwater and Bottom Trawl Fisheries Electronic Monitoring Regulations.
