

ESSENTIAL FISH HABITAT – ROCKFISH CONSERVATION AREA  
AMENDMENT, INFORMATIONAL UPDATE

At its September 2017 meeting, the Pacific Fishery Management Council (Council) requested a progress update on the essential fish habitat - Rockfish Conservation Area Amendment 28 analysis. Final action is tentatively scheduled for the April 2018 Council meeting, and the Project Team continues to develop the preliminary draft environmental impact statement. At this meeting, members of the team will provide a progress report, including plans for document development and review and a webinar or publicly-available presentation on the analysis in early 2018.
