PACIFIC FISHERY MANAGEMENT COUNCIL

Deep-Set Buoy Gear Exempted Fishing Permit Application Form

Please refer to the instructions for specifics on filling out your application.

1).	Application Date: 10	-19-2017				
	Applicant(s)*: Name: John Fos	ster	Phone No: 6198659058			
	Email: Shellygreenfoster@gmail.com					
	Address: 9260 Hillside Dr					
	Commercial Fishing Permits Held: General Gill Net, DGN, Harpoon					
	Commercial Fishing Experience:					
		Years of experience	Gear type / Type of participation (captain, crew, vessel owner, etc.)			
	DSBG	1	Over 50 set days, Pier EFP program 2015			
	Other swordfish gear	30	Harpoon			
	Other gear type(s)	9	DGN			
b)	Name: Phone No: (
	Email:					
	Address:					
	Commercial Fishing Permits Held:					
	Commercial Fishing Experience:					
		Years of Experience	Gear type / Type of participation (captain, crew, vessel owner, etc.)			
	DSBG					
	Other swordfish gear					
	Other gear type(s)					

3) Number of vessels*: 1						
a) Vessel Name: Chula	Registration Number:	1217070				
Name of Operator: John Foster						
Commercial Fishing Permits Held: General gil	mercial Fishing Permits Held: General gill net, drift gill net, harpoon					
b) Vessel Name:	Registration Number:					
Name of Operator:						
Commercial Fishing Permits Held:						
*List information for additional EFP applicants/vessels	/participants on a separ	ate page.				
4) Do any of the applicants/vessel operators have curren	nt/pending state or feder	ral violations				
in any commercial fishery? Yes No (If yes, follow violations may be required as part of the application review	v-up on the nature and star					
5) Duration: The EFP will normally be issued for a two-years and provide justification for the longer duration:	•					
Two years						
6) Intended DSBG Configuration (see Attachment A):	Standard •Linked					
Describe proposed gear modifications (if any) that differ fr	om the descriptions in At	tachment A:				
We intend to utilize LBG in conjunction (but at separa	ite times) with our previ	ious EFP				
application for DSBG (http://www.pcouncil.org/wp-content/uploads/2017/08 n_Foster_1708_SEPT2017BB.pdf) which was recom Council in September 2017. Because we will operati prior EFP applicants - we would as that we be allowe gear, a total of 60 hooks. There is an understanding exceed the allowable footprint as defined by the MT at the EC. All the gear will be marked as required.	mended for approval by ng in areas not typically d to set two (2) strings that the two sets of gea	y the y fished by of LBG ar would not
