Subject: Nominations Sought for Marine Fisheries Advisory Committee (MAFAC)  
To:

FYI -

Hello,

On behalf of the NOAA Fisheries Office of Policy, I am notifying you that NOAA Fisheries is seeking nominations, **through November 27, 2017**, to fill current and pending vacancies on the **Marine Fisheries Advisory Committee (MAFAC)** due to term limits. MAFAC advises the Secretary of Commerce on all living marine resource matters that are the responsibility of the Department of Commerce. The Committee draws on its members' expertise and other sources to evaluate and make recommendations to the Secretary and NOAA on the development and implementation of agency regulations, policies, and programs critical to the mission and goals of the NOAA Fisheries Service.

MAFAC members represent the wide spectrum of commercial, recreational, subsistence, and aquaculture fisheries interests; tribes; seafood industry; protected resources and habitat interests; environmental organizations; academic institutions; consumer groups; and other living marine resource interest groups.

Nominees should possess demonstrable expertise in one of these fields and be able to fulfill the time commitments required for two in-person annual meetings and between-meeting subcommittee work. Membership is balanced geographically across states and territories, ethnically, and on the basis of gender, in addition to the range of expertise and interests listed. Individuals serve for a term of three years. Members may serve a second consecutive term, if re-appointed.

A MAFAC member cannot be a Federal employee, a member of a Regional Fishery Management Council, a registered Federal lobbyist, or a State employee. Membership is voluntary, and except for reimbursable travel and related expenses, service is without pay. The committee functions solely as an advisory body (complying fully with the Federal Advisory Committee Act) which reports to the Secretary.

Full nomination instructions and guidelines are described in this [Federal Register notice](#).

We appreciate you sharing this with your members, colleagues, constituents, and as widely as possible.

For questions or more information, please contact Jennifer Lukens, Executive Director of MAFAC, [jennifer.lukens@noaa.gov](mailto:jennifer.lukens@noaa.gov) or Heidi Lovett, [heidi.lovett@noaa.gov](mailto:heidi.lovett@noaa.gov).
