

ECOSYSTEM ADVISORY SUBPANEL REPORT ON  
FUTURE COUNCIL MEETING AGENDA & WORKLOAD PLANNING

The Ecosystem Advisory Subpanel (EAS) requests the opportunity to meet and comment on the Fishery Ecosystem Plan (FEP) five-year review scoping currently agendized on the year-at-a-glance calendar for June 2018. We suggest the FEP five-year review scoping occur at the September 2018 meeting when other ecosystem items are being considered.
