I.3 SUPPLEMENTAL HMSMT REPORT

PROPOSED DEEP-SET BUOY GEAR EXEMPTED FISHING PERMITS

- ▶ HMSMT believes EFPs submitted to date will provide sufficient information about a potential DSBG fishery south of Point Conception
 - 56 applications submitted; 51 propose effort off S. CA
- ▶ Discussed Council reverting to the schedule and process in COP 20 or the removal of the online form application
 - Would slow flow of application submissions
 - Could be applied to part or all of the action area
