

HABITAT COMMITTEE REPORT ON
MEMBERSHIP APPOINTMENTS, STATEMENT OF ORGANIZATION, PRACTICES AND
PROCEDURES, AND COUNCIL OPERATING PROCEDURES

The Habitat Committee (HC) appreciates the presentation provided by Mike Burner and Kris Kleinschmidt on Council Operating Procedures (COP) and accessing Council resources. The HC supports the changes to COP 6 relative to the membership code of conduct. In addition, COP 6 has a “Proposed Action Form” for submitting issues to the Council that has not been used in more than 10 years. The HC recommends that it be deleted from the COP.
