Re: Voting Membership for Principal Idaho State Official and Designee

Dear Mr. Tracy:

As you are aware Peter Hassemer was appointed by the Secretary of Commerce to the Idaho Obligatory seat on the Pacific Fishery Management Council (Council). As Pete was formerly my alternate on the Council I am writing to designate Virgil Moore to serve as the IDFG Director's alternate as a voting member.

I would also like to nominate Dr. Tim Copeland, to replace Dr. Richard Scully on the Ecosystem Work Group. Dr. Copeland has worked for IDFG for 15 years and currently serves as the Wild Salmon and Steelhead Monitoring Program Coordinator. Dr. Copeland's curriculum vitae is attached.

Idaho recognizes the importance of the Council in marine fishery management and appreciates your service to Idaho as a member state.

Sincerely,

Ed Schriever  
Director
