

CURRENT HABITAT ISSUES

The Habitat Committee (HC) will meet on Thursday, September 12, 2019, to discuss National Marine Fisheries Service (NMFS)/Council habitat priorities, the NMFS Strategic Plan, ecosystem issues, and other topics.

In addition, the Council sent a letter on the proposed Jordan Cove liquefied natural gas project to the Federal Energy Regulatory Commission, as directed in June (Agenda Item D.1, Attachment 1), and has drafted a letter to the U.S. Forest Service and the Bureau of Land Management on the same subject (Attachment 2).

Council Action:

Consider comments and recommendations developed by the HC.
