The Pacific Fishery Management Council (PFMC or Council) and its advisory bodies will meet April 4-10, 2020 by webinar only, to address issues related to groundfish, salmon, Pacific halibut, coastal pelagic species, and administrative matters.

Key agenda items for the meeting include Council considerations to:

- Adopt Final Management Measures for 2020 Ocean Salmon Fisheries
- Consider Process for Southern Oregon Northern California Coastal Coho Endangered Species Act Consultation Recommendations
- Adopt Final Incidental Pacific Halibut Catch Recommendations for 2020 and Early 2021 Non-Indian Salmon Troll Fisheries
- Adopt a Pacific Sardine Assessment, Final Harvest Specifications, and Management Measures for the 2020-2021 Sardine Fishery
- Adopt Final Preferred Harvest Specifications and Preliminary Management Measures for 2021-2022 Groundfish Fisheries

A schedule of advisory body meetings is provided on the last pages of the attached proposed agenda. Copies of briefing materials prepared for the meeting can be found on our website www.p council.org by Friday, March 20, 2020.

Meeting Arrangements

The meeting of the Council and its advisory entities was originally planned to be held in person in Vancouver, Washington, but due to concerns over the COVID-19 pandemic, the format of the meetings have been changed to be conducted only by webinars. In addition, several items originally anticipated to be on the Council’s April agenda have been postponed to accommodate the logistical challenges of the webinar meeting format.

All meetings are open to the public. For more information on the meetings, refer to the attached proposed detailed agenda. Information is also available on the Council website http://www.p council.org or by calling the Council office at 503-820-2280 or 866-806-7204 (toll-free).

The meeting of the Council general session will be streamed live on the internet. The broadcast will begin at 9 a.m. Pacific Daylight Time (PDT) Sunday, April 5, 2020 and continue daily at 8 a.m. through Friday, April 10, 2020, or until the agenda is completed. Broadcasts end daily at 5 p.m. or when business for the day is complete. Only the audio portion and presentations displayed on the
screen will be broadcast. The audio portion for the public is listen-only except that an opportunity for oral public comment will be provided prior to Council Action on each agenda item. To access the meeting online, please use the following link: https://webinar.ringcentral.com/j/1482157036, or if you already have RingCentral Meeting installed you may join the meeting using the ID: 148-215-7036. It is recommended that you use a computer headset to listen to the meeting, but you may use your telephone for the audio-only portion of the meeting. The audio portion may be attended using a telephone by following the connect to audio instructions on your screen, shown after joining the webinar.

Meetings of advisory bodies will also be conducted by webinar based on the schedules in the attached agenda. There will be one opportunity for public comment daily in each of the webinars. Instructions for how to connect to those webinars will be posted on the Council’s April 2020 Meeting webpage prior to the first day of the meeting.

Please note that the evolving public health situation regarding COVID-19 may further affect the conduct of the April Council and advisory body meetings. Pacific Council staff will monitor COVID-19 developments and will determine if there is a need for additional measures. If such measures are deemed necessary, Council staff will post notice of them prominently on our website (www.pcouncil.org). Potential meeting participants are encouraged to check the Pacific Council’s website frequently for such information and updates.

Public Comment Guidelines

The public is encouraged to comment on Council agenda items in writing prior to the webinar through our Public Comment Electronic Portal (see below). Additionally, there will be an opportunity for oral public comment prior to Council Action on each agenda item for those attending the webinar. Timing of agenda items may change as the meeting progresses, and items not completed on the scheduled day will be carried over to later in the meeting, usually the next day.

Oral public comments will be accepted during the meeting prior to Council action on each agenda item.
