Mr. Chuck Tracy
Executive Director
Pacific Fishery Management Council
7700 Northeast Ambassador Place, Suite 101
Portland, Oregon 97220-1384

Dear Mr. Tracy:

I am pleased to appoint Ron Warren as one of the Washington Department of Fish and Wildlife's (WDFW) designees on the Pacific Fishery Management Council.

Mr. Warren has worked for WDFW for 40 years and is the Fish Policy Director for the agency. He has attended Pacific Fishery Management Council meetings since 2003 and is familiar with the Council process. He has led the North of Falcon salmon season setting process for several years and is our primary intergovernmental policy lead for fisheries issues.

Mr. Adicks, Mr. Niles, and Ms. Hall will continue as WDFW designees in addition to Mr. Warren, and I am confident that they will serve WDFW and the Council well through its decision-making process.

If you have any questions, please feel free to contact me at (360) 902-2225.

Sincerely,

Kelly Susewind
Director
