

September 2020:
Accessing the advisory body and management team meetings

Once you have [downloaded the RingCentral Meetings application](#), you can copy and paste or manually type in the meeting ID provided below after clicking “Join a meeting.”

The following Meeting ID’s are valid starting 9/8 -911 & 914 – 9/18 depending on the schedule of the advisory body or management team. Please refer to the [meeting notice and detailed agenda](#) for days and start times for each group. The same meeting ID is used for each day of the meeting.

For those unable to join via the RingCentral meeting application or web browser, you may dial into the audio only portion of the meeting by using one of the following telephone numbers and the associated Meeting ID.

US: +1(773) 231-9226 (US North)
+1(623) 404-9000 (US West)
+1(720) 902-7700 (US Central)
+1(469) 445-0100 (US South)
+1(470) 869-2200 (US East)

Salmon Technical Team – Meeting ID: 148-893-4837

Scientific and Statistical Committee– Meeting ID: 148-893-6304

Accessing the Council stream as an attendee (listen only):

Meeting ID: 149-930-0361

NOTE:

You will join the meeting as an “attendee” in listen only mode. You will not have a microphone icon until the host has enabled it or promoted you to panelist. Please use the hand raise function to get their attention should you be joining to give a presentation.

If you cannot join using the RingCentral application, please contact Kris.kleinschmidt@noaa.gov.

We also offer a [YouTube Live stream](#) of the Council meeting for following along.
