

COASTAL PELAGIC SPECIES MANAGEMENT TEAM REPORT ON EXECUTIVE ORDER  
13921: PROMOTING AMERICAN SEAFOOD COMPETITIVENESS AND ECONOMIC  
GROWTH – FINAL RECOMMENDATIONS

The Coastal Pelagic Species Management Team (CPSMT) received a presentation from Jim Seger (Council Staff) regarding Executive Order 13921: Promoting American Seafood Competitiveness and Economic Growth and met with the Coastal Pelagic Species Advisory Subpanel (CPSAS) regarding their comments on Executive Order 13921. The CPSMT supports the CPSAS request for inclusion of a squid species export exemption from US Fish and Wildlife Service wildlife import/export requirements.
