E.2 – CDFW Motion

I move that the Council recommend:

1. That NMFS issue the following EFPs for DSBG as requested in the applications(SBG and LBG):

Attachments 2, 3, 4, 5, 6, 7, 9, 11, 12, 13, 15, 16, 17, 18, 19, and 21

2. That NMFS issue EFPs for Mr. Lebeck and Mr. Wallace (Attachments 10 and 20) for DSBG (SBG and/or LBG) to fish during the day, but do not approve night fishing or fishing at shallower depths

3. That the above applicants be given priority for EFP issuance over previously approved applicants who did not complete the process for obtaining their permits

4. That NMFS reject the NSBG application from Mr. Haworth (Attachment 8).

5. Recommend to NMFS that Mr. Perez and Mr. Carson (Attachment 14) be permitted to fish NSBG on either the currently approved vessel or the additional vessel, but not on both vessels simultaneously

6. Recommend to NMFS that they modify the Terms and Conditions for all DSBG and NSBG EFPs (new and existing) to include a mandatory lost gear reporting requirement and clear marking of gear between DSBG and NSBG, as requested in the E.2.a Supplemental EC Report 1

Moved by John Ugoretz; Second by Christa M. Svensson

Motion carried; Mr. Ryan Wulff NMFS abstained.
