

Meeting Information

5th ISC North Pacific Albacore MSE Workshop For Managers and Stakeholders

March 22 - 25, 2021
9:00 am - 12:30 pm (Pacific Time)
Web Meeting for the US and Canada

Meeting Format

Due to travel restrictions, the 5th ISC North Pacific Albacore MSE Workshop will be held as a series of meetings. Separate meetings will be held for each country or region to ease time zone and language issues. The workshop for Canada and the US is being held jointly on March 22 (Mon) - 25 (Thu), 2021 from 9:00 am to 12:30 pm (Pacific time) as a web meeting.

Meeting Logistics

The meeting will be using Webex software. Meeting links will be sent individually to registered attendees several days before the start of the meeting. Please contact the meeting hosts, Steve Teo (steve.teo@noaa.gov) and Freddie Logan (freddie.logan@noaa.gov), if you encounter difficulties with registering for or attending the meeting.

Registration

Please note that **registration is required** and the **deadline to register is March 15, 2021**. Please use the following link to register: <https://forms.gle/jrqq91CZU6sGLj2t7>

Meeting Objectives

The objectives of the meeting are to: 1) help managers and stakeholders understand the MSE results; and 2) provide feedback to the ALBWG on the presentation of the results. See meeting agenda for more details.

Additional Resources

Meeting attendees will be able to use Basecamp (provided by IATTC) as an additional forum to ask questions, provide comments, and discuss ideas with managers and stakeholders from other countries and regions. Basecamp links will be sent individually to registered attendees.
