

## FUTURE COUNCIL MEETING AGENDA AND WORKLOAD PLANNING

This agenda item is intended to refine general planning for future Council meetings, especially in regard to finalizing the proposed agenda for the June 2021 Council meeting to be held via webinar. The following primary attachments are intended to help facilitate Council planning:

1. Preliminary Year-at-a-Glance Summary - An abbreviated display of potential agenda items for the next five Council meetings (Attachment 1).
2. A preliminary proposed June 2021 Council meeting agenda (Attachment 2).

The June agenda is proposed as a 5 ½ day meeting with most days planned for 7 hours of floor time or less in keeping with Council practice for webinar-based meetings. However, all of the candidate items that are shaded on the Year-at-a-Glance Summary have not yet been scheduled.

The Executive Director will assist the Council in reviewing the proposed agenda materials and discuss any other matters relevant to Council meeting agendas and workload. After considering supplemental material provided at the Council meeting, and any reports and comments from advisory bodies and public, the Council will provide guidance for future agenda development and workload priorities for Council staff and advisory bodies.
