

ENFORCEMENT CONSULTANTS REPORT ON MARINE PLANNING

The Enforcement Consultants (EC) have reviewed the documents pertaining to Agenda Item C.4, Marine Planning, and have the following comments.

The EC does not have a preference on which Marine Planning Advisory Body (MPAB) option the Council chooses. However, should the Council select Option C, the EC recommends the MPAB follow the liaison model using the existing enforcement consultants. If Option C with only one Enforcement seat is selected, the EC recommends that Mr. Chris German be assigned as primary and LT. Lelea Lingo as the alternate.
