

ENFORCEMENT CONSULTANTS REPORT
ON FUTURE COUNCIL MEETING AGENDA AND WORKLOAD PLANNING

The Enforcement Consultants (EC) have reviewed the documents pertaining to Agenda Item E.7, Future Council Meeting Agenda and Workload Planning and have the following comments.

The Enforcement Consultants noticed that the Tri-State Enforcement Report is a candidate for rescheduling in November and would like to propose submitting an informational written report instead of delaying the report further. The West Coast States have been busy over the last two years and would like to inform the Council on some of the accomplishments.
