Re: Pacific Fishery Management Council Representative to the U.S. Section of the Joint Management Committee of the U.S. – Canada Pacific Hake/Whiting Agreement

Dear Mr. Thom:

The Pacific Fishery Management Council (Pacific Council) met September 8-11 and 13-15, 2021, to consider, among other matters, Pacific Council representation to the U.S. membership of the Joint Management Committee (JMC) of the U.S. – Canada Pacific Hake/Whiting Agreement. Mr. Philip Anderson has served admirably in this role for many years, and it is the Pacific Council's understanding that Mr. Anderson's JMC appointment expires at the end of this month.

With and the full support of the Pacific Council, I am recommending that Mr. Anderson be reappointed and continue to serve as the Pacific Council's representative to the U.S. Section of the JMC.

Should you or your staff have any questions regarding the recommendation or Mr. Anderson's reappointment, please contact Mr. Chuck Tracy or Mr. Mike Burner at the Council office.

Sincerely,

A handwritten signature in black ink that reads "Marc Gorelnik".
