

ENFORCEMENT CONSULTANTS REPORT ON  
FUTURE COUNCIL MEETING AGENDA AND WORKLOAD PLANNING

The Enforcement Consultants (EC) have reviewed the documents pertaining to Agenda Item C.10, (Future Council Meeting Agenda and Workload Planning) and has the following comments.

The EC requests to change our initial meeting time to 1400 (2:00 p.m.) on the day prior the main Council meets. This change provides time for the EC to provide Supplemental Reports to Council staff for Day 1 of the Council meeting, and travel the same day as the meeting rather than the day before, and will not affect the ECs contributions to the Council process.
